Introducing *Advances in Clinical Medical Research and Healthcare Delivery*

RRH now has its very own journal! *Advances in Clinical Medical Research and Healthcare Delivery* (ACMRHD) is a peer-reviewed journal for clinicians, scientists, medical educators and administrators. ACMRHD is particularly interested in works which will enhance healthcare delivery, research and education. The journal accepts original research, guidelines, case reports, systematic reviews, and commentaries. RRH team members are encouraged to submit their work for publication. Learn more about the aims and scope of ACMRHD and submit your manuscripts at the link below.
