## SPECIAL EDITION: Staying Connected during Social Distancing

How do we stay together while we're apart? With so many products available to help families and friends connect with each other, how do you know where to start? Ask the experts...your librarians! Below is a curated selection of services for gaming, chatting, video calling and more.

- [Skype](#): Microsoft's free video, text and voice chat service.
- [FaceTime](#): Apple-exclusive video, voice and text chat service.
- [Discord](#): Voice, video and text chat capabilities for gaming, talking or just hanging out together!
- [Jackbox](#): Play party and trivia games from your computer, gaming console or smart TV.
- [Board Game Arena](#): Play tabletop games from your computer with friends, family or people all over the world.
- [Netflix Party](#): An extension for the Google Chrome browser which allows you to watch a movie on Netflix in sync with friends and comment on it.
