## Supporting the Black Community in Healthcare

In the wake of George Floyd's murder and subsequent Black Lives Matter protests, communities across the U.S. are engaging in some much-needed self-reflection. What does it mean to be an ally? How do we begin examining our own prejudices? Where do we go from here? Healthcare is far from immune to the issue of systemic racism, and staff, administrators and patients alike can benefit from resources to begin addressing it.

- [5 ways to combat racism and be an ally to African-Americans in the health care setting](#). American Osteopathic Association.
- [The guide to allyship](#). Lamont, A.
- [Black lives matter: Antiracism and health suggested resources](#). Harvard Countway Library.
- [Advancing racial equity webinar series](#). American Public Health Association.
