## Zika Virus Disease

Normally a mosquito-borne disease with relatively mild symptoms, Zika has become a headline-making phenomenon due to the association with previous infection in pregnant women and birth defects in their newborns. Medical understanding of the connection

between Zika and other conditions continues to evolve, so clinicians are encouraged to visit the [CDC's information page](http://www.cdc.gov/zika/) for regular updates.

To suggest a topic, please email [wellness@rochesterregional.org](mailto:wellness@rochesterregional.org). To read the full article, click the linked title.

## Managing Student Loan Debt

Managing student loan debt will be the topic of our next *Wednesdays at Werner Medical Library* lecture. Join Librarian Rachel Becker in the library at noon on Wednesday, June 29<sup>th</sup>, as she shares her experiences navigating the federal loan repayment system. All RRH employees are welcome to attend.

Also mark your calendars for our upcoming lectures.

- **July 27 – Mindfulness**  
by Doug Della Pietra, Director, Customer & Volunteer Services
- **Aug. 31 – Nursing Reference Center**  
by Tami Hartzell, Senior Librarian
- **Sept. 28 – The Dangers of Sitting**  
by Daniel D. Day, D.O.
- **Oct. 26 – Health Literacy**  
by Mary Ann Howie, Senior Librarian

For more information or to suggest a speaker, please contact 922-4743.

### Used Book Sale

Tues., June 21, 11AM – 3PM  
in the hospital cafeteria
