Recommended Citation

This Newsletter is brought to you for free and open access by RocScholar. It has been accepted for inclusion in Rochester Regional Health authored publications and proceedings by an authorized administrator of RocScholar. For more information, please contact Lisa.Buda@rochesterregional.org.

**Communication**

A current challenge in health care is to create an environment in which open and transparent communication is the standard practice. Effective communication is critical to patient satisfaction, outcomes of care, and malpractice prevention.

If you would like copies of any of these articles, or if you would like additional information on this or any topic, please contact any Werner Medical Library team member.

---

**E-Books**

The Werner Medical Library subscribes to a number of electronic books which can be accessed through **E-Books** in the Resources A-Z list on our [webpage](http://wernerlibrary.org/).

One of the electronic books available is *Wintrobe's Clinical Hematology* (2014). Topics covered include the normal hematologic system, disorders of red cells, hemostasis and coagulation, transfusion medicine, hematologic malignancies, and more.

Another electronic book available is *Davis’s Comprehensive Handbook of Laboratory and Diagnostic Tests with Nursing Implications* (2013). Tests and procedures are listed in alphabetical order by their complete name for quick reference in interpreting test results and providing patient care.
