## Rochester General Hospital Edition

October 2010

### EXPANDING CANCER TREATMENT OPTIONS WITH COMPLEMENTARY AND NUTRITIONAL THERAPIES

In addition to the current advances in medical, surgical and radiation therapies for cancer treatments, modern complementary and nutritional therapies offer additional substantiated therapeutic approaches for consideration and implementation by cancer patients and their physicians. If you would like copies of any of these articles, or if you would like further information on this topic, please contact any Library team member.

### Additional Management Books

We have additional copies of Studer: Hardwiring Excellence and Jazwiec: Eat that Cookie. Additionally we have several copies of Studer Group: The Nurse Leader Handbook. These management titles will soon be added to the Management shelf across from the front office.
