This Newsletter is brought to you for free and open access by Roc Scholar. It has been accepted for inclusion in Rochester Regional Health authored publications and proceedings by an authorized administrator of Roc Scholar. For more information, please contact Lisa.Buda@rochesterregional.org.
CARING

Consumers of health care expect caring behaviors and become satisfied and loyal customers when their health experience included caring. In today's health care environment, however, caring often takes a back seat to task completion and capital expenditures. If you would like copies of any of these articles, or if you would like further information on this topic, please contact any Library staff member.
