This Newsletter is brought to you for free and open access by RocScholar. It has been accepted for inclusion in Rochester Regional Health authored publications and proceedings by an authorized administrator of RocScholar. For more information, please contact Lisa.Buda@rochesterregional.org.
RESISTANCE TO CHANGE

Resistance to change is the action taken by individuals and groups when they perceive that a change that is occurring as a threat to them. It can be minimized by insightful planning, and overcome by competent leadership. If you would like copies of any of these articles, or if you would like further information on this topic, please contact any Library staff member.
