Elizabeth Mamo
Purpose of Library Committee

The Library Committee is a requirement of the RGH Medical/Dental Staff and is facilitated by Dr. Scott Schabel.

After RGH and Unity merged, the Libraries formed one department and expanded access and services to all RRH sites.

The Library committee, composed of staff from across the health system, provide feedback and share library news with their teams. The committee meets 2x/year via Zoom.

Saint Lawrence Health sites are not included at this time.

Financial

• Expenses are divided among hospitals with the majority of funding coming from RGH and Unity, our two largest user groups.

• Revenue – we receive approximately $50K/year in grant funds through the NYS Division of Library services to offset expenses related to Interlibrary Loans, subject specific collections, and services to rural hospitals.

• Archives operate under a separate budget.

• Library gift funds.
