SUMMER 2024

Database Upgrade: Trip Pro

The library has recently upgraded the free version of the Trip (Turning Research into Practice) medical database to [Trip Pro](#). Benefits include:

- 100,000+ extra systematic reviews
- Medical images and videos
- Links to millions of full-text articles
- Export to reference management software
- Advanced search

Library Website Survey

The Library staff is asking for your feedback to help improve the Virtual Library experience.

Please complete a [brief survey](#) to assist us with this process.

Survey closes August 31, 2024.

Update: Nursing Point of Care Tools

[Clinical Skills](#) and [ClinicalKey Nursing](#) are new resources to assist bedside nurses. They are replacing Nursing Reference Center.

[Tip Sheets](#) will help you find your way around these new resources.

Don't Pay for Articles!

If you come across an article or book chapter you would like that is behind a pay wall, don't pay!

[Contact the library](#) to see if we can acquire a copy for you. This is a free service to RRH employees, so don't miss out!

NOVELny Databases

[NOVELny](#) (New York Online Virtual Electronic Library) provides access to multiple databases in a variety of subject areas and is brought to you by the New York State Library. With over 40 databases to choose from, there is something for everyone. Some that may be of particular interest to RRH staff include:

- Gale Health and Wellness
- Gale OneFile: Diversity Studies
- Gale OneFile: Health and Medicine
- Gale OneFile: Nursing and Allied Health
- Gale OneFile: Physical Therapy and Sports Medicine
